

## SPORT AND LEISURE ACTIVITIES

Simone Evasion offers you all year long a large choice of outdoor activities in a sporty and friendly environment.

### ADVENTURE PARK

The Adventure Park forest offers a large variety of tree trails for all ages, as well as different levels of difficulty.

All trails are carefully studied and fully secured following the strict European standards of safety and security. No special training needed.

- Period : May to October
- Location : Located in the Jura mountain, the Adventure Park is accessible by car within 35 to 40 minutes drive from Geneva.
- Duration : Half day (3 hours in the trees)
- Highlight : Gorgeous view on Geneva Lake
- Activity description : A fun and sportive activity for everyone to enjoy. Challenge yourself to the adventure of moving from tree to tree using various climbing gear and equipment: hanging bridges, gliding ropes, climbing nets, Tarzan hanging ropes, giant feet, etc. in ways of various difficulties. This physical and mental activity will challenge your balance, self-control, concentration, autonomy and defy even your own expectations in a completely secured environment. Some will even re-discover a childhood dream (being able to climb and move easily between trees).

## SAILING ADVENTURES

Come to discover the largest lake in central Europe, real haven of peace, aboard beautiful sailboats.

A unique experience in an exceptional surrounding which will give you exciting sailing sensations and an unequalled feeling of escape.

Activity for all ages, no preliminary training needed.

- Period : April to October
- Location : Geneva, Nyon, Lausanne or according to your choice
- Duration : Half day or full day
- Special feature : We can organise sailing regattas  
Capacity up to 100 participants  
Full safety equipment is provided, including life jackets.
- Activity description : After a short briefing about the theoretical aspect of sailing and the safety regulations to be observed, the crews will leave the harbour for half an hour of free sailing. This introduction will be followed by some short regattas. This activity facilitates efficient communication, stimulates collaboration and team building. It also provides feelings of relaxation and calmness.
- Personal equipment : Sportive clothes, sunglasses, sun cream, cap, shoes with white sole.

## TREASURE HUNT

Come and share our adventure experience !

If you like participating in a team challenge, searching for clues and orienteering race, you will enjoy this activity.

This race against the clock will sharpen your perspicacity and stimulate your brain while giving your body a breath of fresh air.

Period :	All year round
Location :	Various mountain areas nearby Geneva. The transport is organised by minibus or by bus, starting from the chosen appointment location.
Duration :	Approximatly 3 hours, either in the morning, afternoon or early evening.
Special feature :	Groups of minimum 15 persons
Activity description :	Experience a real treasure hunt ! Your mission will be to work as a team, to search for clues, to solve the riddles that you will encounter along way and to succeed in reaching the various spots on foot as fast as possible. You will enjoy searching, communicating, learning, sharing and at the same time, discovering the nature.

## NIGHT WALK IN SNOWSHOES

The most lucky will be accompanied by the moon, which will light their way and draw their shadow on the fresh snow.

The less lucky will be proud to defy the cold and the bad weather, and will enjoy this reinvigorating adventure.

A delicious meal in a cosy chalet will bring all participants together in a heart warming atmosphere.

- Period : December to March, depending on the snow conditions
- Location : Jura, Voirons, Salève. The transport is organised in vehicles equipped for winter roads with professional drivers, so that you do not have to worry about road conditions or being tired.
- Duration : Late afternoon and evening (max 6h, including between 1h15 to 2h walk)
- Special feature : We arrange small groups of 15 people guided by one mountain leader.
- Activity description : Night walk in snowshoes to see the night in an entirely new way, to look at the stars and the moon, while stepping into forests blanketed in white, where only the crunch of snowshoes will break the silence. And if the weather is not perfect, you will still have a good time enjoying this new experience. After the walk, a delicious meal, including dried meat, cheese fondue and desserts, in a cosy chalet will bring all participants together in a heart warming atmosphere.
- Personal equipment : Warm winter clothes (ski pants), hiking shoes, warm hat, gloves.

## DAY SNOWSHOES

Leave your daily preoccupations behind and snowshoe your way into the serenity of the nature !

Within moments you'll find yourself in a new world where you can appreciate the peace of the mountains and forests and the authenticity of nature.

- Period : December to March, depending on the snow conditions
- Location : Jura, Voirons, Salève, Plaine Joux or wherever in the mountains around Geneva. The transfer is organised in vehicles equipped for winter roads with professional drivers, so that you do not worry about road conditions or being tired.
- Duration : Half day or full day
- Special feature : We arrange small groups of 15 people and one mountain leader. More than 70 snowshoes available.
- Activity description : Day walk in snowshoes with learning about specific topic, like "discover nature around the 5 senses", "track wildlife", "landart" (art with natural elements), etc.
- Personal equipment : Warm winter clothes (ski pants), hiking shoes, warm hat, gloves, sunglasses, sun cream and an energetic drink.
